100% GENUINE ITALIAN HANDCRAFTED LEATHER

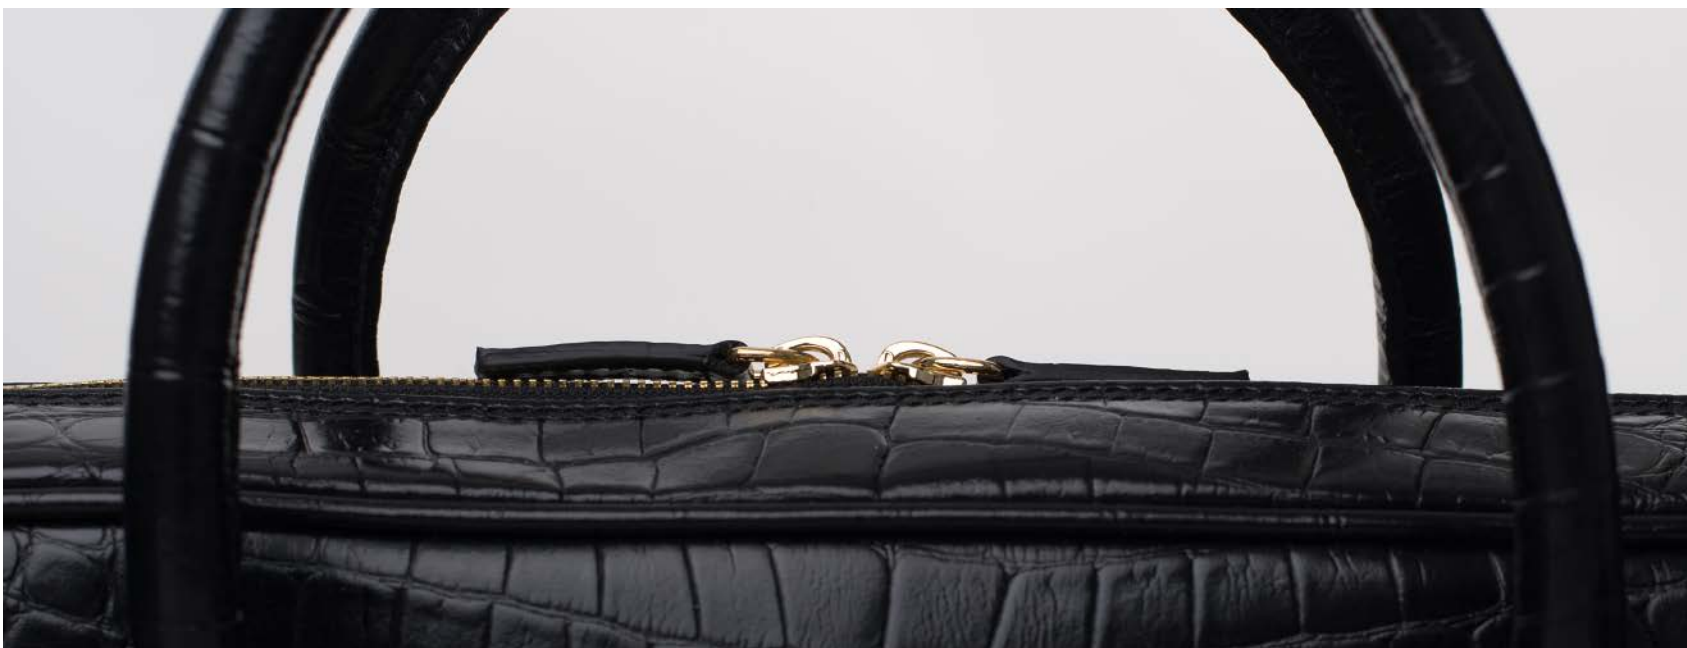

ELEGANT COLLECTION B-ONE BRIEFCASE

ELEGANT COLLECTION TRAVEL BAG

.Genuine Italian Leather from “Le Marche”
Region.

.Basset only uses the finest leather from the
“Le Marche” region in Italy, where artisan families
have handed down techniques in handcrafting
leather products from generation to generation.
The techniques were acquired over half a millen-
nia during the exiting, progressive and dynamic
mercantile city-state period in Medieval Italy,
which created a perfect environment for the
leather-tanning industry to explode. Guilds were
formed to protect the techniques, which are still
closely protected family secrets and are used to
produce quality leathers unrivaled elsewhere in
the world. Today, Italy accounts for around 16% of
world leather production and over two-thirds of all
leather produced in Europe.

100% MADE IN ITALY
